

### **REMARKS**

The present Replacement Sheet is being submitted since it appears in the priority document South Africa application 2001/4794, a certified copy of which has been previously provided. Because the subject application claims priority to both PCT/ZA02/00096 and to South Africa 2001/4794, and because the entire contents of those applications were incorporated by reference. Applicants believe that inclusion of FIG. 8 does not introduce new matter.

The undersigned attorney can be reached at (312) 321-4276 to resolve any remaining issues.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "G. Peter Nichols", written over a horizontal line.
